

Mission

The mission of the Juan de Fuca Community Trails Society is to promote and create a legacy of community trails for walkers, cyclists and equestrians in the Juan de Fuca area.

Accomplishments 2005-2023

- Saved King Creek trails from being sold for subdivision
- Supported establishment of William Simmons Memorial Park
- Facilitated the establishment of the Parking lot and the Wieland Trail
- Facilitated establishment of the Butler trail in “The Woods” subdivision
- With permission from the BC Government to establish public access and maintain trails on Broom Hill, we engaged Canada World Youth to help connect the Wieland Trail to the historic trails on Broomhill.
- Also with CWY we re-opened many of the trails damaged by the 2005/06 storms.
- Facilitated the CRD purchase of Jordan River Regional Park (Sandcut), addition to Sooke Potholes lands and a right-of-way towards the Matterhorn.
- Conducted approximately 500 guided hikes in the Juan de Fuca and Sooke Hills
- Have been clearing the Whiffen Spit of Scotch Broom since 2007.
- Participated in the development Sooke Master Trails and Parks Plan
- Participated in the Otter Point and Shirley Visioning
- Participated in the development of the Otter Point Official Community Plan
- Participated in development of CRD Parks Master Plan
- Designed and helped with environmental Build SEAPARC trail stairs, and Brownsey Rd. to Horne Rd trail
- Designed, built elements (map tables, way finding posts) and supported installation of the Sooke Urban Trail System.
- Facilitated CRD acquisition of the Admiral’s Forest Community Park Sept 2022.
- The extension of the Wieland trail to Kemp Lake Rd is scheduled to proceed in 2023
- Supported CNOY three years, Team led by Linda topped funds raised 2/3 times.
